## **SUPPLEMENTARY INFORMATION:**

Purpose of the Committee: The purpose of the committee is to provide advice and guidance on a continuing basis to the Office of Science and the Department of Energy on scientific priorities within the field of advanced scientific computing research.

Purpose of the Meeting: This meeting is the semi-annual meeting of the Committee.

Tentative Agenda:

- View from Germantown
- ASCR Priority Research Directions
- Update on Exascale project activities

• Update on planning for an integrated research infrastructure

• Report from Working Group on collaboration with the National Cancer Institute

• Technical presentations

• Public Comment (10-minute rule)

The meeting agenda includes an update on the budget, accomplishments, and planned activities of

the Advanced Scientific Computing Research program and the exascale computing project;

technical presentations from funded researchers and industry collaborations; updates from

subcommittees, and there will be an opportunity for comments from the public. The meeting will

conclude at 3:00 p.m. (eastern time) on September 30, 2022. Agenda updates and presentations

will be posted on the ASCAC web site prior to the meeting: https://science.osti.gov/ascr/ascac.

Public Participation: The meeting is open to the public. Individuals and representatives

of organizations who would like to offer comments and suggestions may do so during the meeting.

Approximately 30 minutes will be reserved for public comments. The time allotted per speaker

will depend on the number who wish to speak but will not exceed 10 minutes. The Designated

Federal Officer is empowered to conduct the meeting in a fashion that will facilitate the orderly

conduct of business. Those wishing to speak should submit their request at least five days before

the meeting. Those not able to attend the meeting or who have insufficient time to address the

committee are invited to send a written statement to Christine Chalk, U.S. Department of Energy,

1000 Independence Avenue SW, Washington, DC 20585, email to

Christine.Chalk@science.doe.gov.

Minutes: The minutes of this meeting will be available within 90 days on the Advanced

Scientific Computing website at https://science.osti.gov/ascr/ascac.

Signed in Washington, DC on August 26, 2022.

LaTanya R. Butler,

Deputy Committee Management Officer.
